Dear George:

I want to thank you on behalf of the Woodward Governor Company for taking the time to visit us last week. Your tolerance of our tests and interviews is admirable.

We invite you to visit Rockford again and, if possible, with your wife. I am sure she would like to see the type of community we have to better participate in the decision facing your family. Woodward will be pleased to reimburse you for the expenses you and your wife incur on this visit. This trip would be advantageous to yourself as well as to Woodward, particularly if you decide to accept our offer, since we then could arrange for your physical examination, completing it before you inform your present employer of your intentions.

You asked me about our vacation plan. After some checking, I find that you would be eligible next summer for two weeks' vacation. Our present plan allows three weeks after ten years of service.

Let me know if you have any questions about Woodward or the Rockford area.

Kindest regards,

Mark Leum
